As Recruitment Lead, Brie is a dedicated professional with a strong passion for connecting talent with opportunity. With 15 years of hands-on experience in end-to-end recruitment, she brings deep expertise and insight to every stage of the process. Her attention to detail and commitment to service excellence ensures a seamless and efficient experience for both candidates and hiring teams.

Brie's recruitment capability spans advertising across multiple platforms, shortlisting, interviewing, and targeted headhunting to attract high-calibre candidates who align with both the role and organisational culture. Her strategic, people-centred approach has contributed to consistent placement success and long-term retention outcomes.

Recognised for her reliability, positivity, honesty, and professionalism, Brie leads with integrity and precision. She manages the full recruitment lifecycle from initial engagement through to onboarding delivering streamlined, high-quality outcomes across all levels of recruitment.
