The BelRose Group

PEOPLE & CULTURE SPECIALISTS

How we work with you

We work alongside your team, with workflows configured around your systems, workforce requirements and pay calendar.

01

Payroll scoping & setup

Review your requirements, map relevant awards and configure workflows, data inputs and the pay calendar.

02

Data verification & compliance checks

Check payroll data, including hours, allowances, leave, superannuation and deductions.

03

Payroll processing & ePayslip distribution

Process each pay cycle, distribute ePayslips and prepare payment files and payroll documentation.

04

Reporting, audit trail & support

Provide payroll and superannuation reports, maintain clear records and support end-of-financial-year reporting, queries and adjustments.
